Church Planting Missionaries to **Colombia**

SEPTEMBER 2026

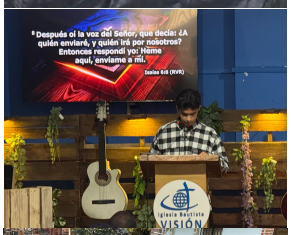

VISION BAPTIST MISSIONS

MORE PREACHERS PREACHING

New Bible Studies Starting!

- We love the time before Sunday morning and Wednesday night services.
  - It is when we see **several discipleships and bible studies** going on.
  - Recently we have been seeing **new faces in bible studies**.
  - We thank God for the church growing not only in new people but also new teachers.
    - We love to see how **God molds new disciple-makers** here in Colombia.

More preachers preaching:

- This might sound like the song "A partridge in a pear tree" but it is literally what is happening.
- As God continues to bless, He continues to call and equip more men to preach.
- Also thankful for more ladies that have accepted the call to teach the kids and toddlers classes.
- We also are growing in the nursery ministry, one baby at a time, we are about to have another.
- As the ministry grows, more people come, **more workers are needed** for our Father's mission.
- Please **help us pray for more laborers** to answer the call to preach the Gospel to the nations.

New Intern Family:

- We have a new intern family with us, **the Coffey Family**.
- **Luke, Adriana and ,2 year old, Liam** are here with us in Colombia.
- They are currently learning the language and the culture while also ministering to our people.
- Please pray for them as they seek God's will on where to serve as full time missionaries.
- They are doing great and I know God will use them in a mighty way!

New Missionary to join Team Colombia:

- We are excited to let you all know that our intern from the first part of the year, **Denise Troyer,** has made the decision to join team Colombia and help us with our church planting efforts.
- She has been **accepted by Vision Baptist Missions** and will be starting deputation soon.
- Please pray for her as she **travels across the country and raises support** to come back.
- She is a very hard working lady that will be a huge blessing to the team here.

Building Update:

- When you start the process of building, specially in a different country, you never know what it all entails. You never know how long each little step takes and how many steps there are.
- But, our God knows exactly how everything is going to go, so, we trust in Him and thank God for **helping us find a builder to help us construct** the soon to be new home of Vision Baptist Church here in Medellin, Colombia. Thank you for praying and giving towards this project.
