Church Planting Missionaries to **Colombia**

APRIL 2026

VISION BAPTIST MISSIONS

RESURRECTION SUNDAY IN COLOMBIA!

EASTER SUNDAY IN COLOMBIA:

- We had a **full house**. This is a huge praise!
- Here during easter most people take the whole weekend off and travel.
  - It is **sometimes difficult** to get them to come for our easter services.
    - **But** this special Sunday **God Blessed** us in a mighty way.
- **The Gospel was preached** and many new people heard it clearly.
  - After the service, we all ate what Jesus ate with His disicples after resurrection:
    - We ate **fish**!

TEAM COLOMBIA RETREAT:

- In the month of April we also had a **planning retreat** with our team of missionaries here.
  - As you know we work together with **Brother Chestley Howell and his wife Yessica**.
  - This year we were joined by **Denise Troyer**, an intern currently working with us.
- During this week we were able to **plan and brainstorm** many ideas to put into practice to reach the country that God has called us to evangelize.
  - We are excited about the events and **opportunities that God placed in our hearts.**
    - Please **help us pray** for all the ministry opportunities that we attempt for His Glory.

TOWNS IN COLOMBIA:

- During the Team Colombia Retreat we were able to **visit several towns** around the Colombia Coffee region.
  - Most of the towns around the region have a **population of 20 thousand** or more.
    - As far as we know, the towns we visited **did not have a church** that would preach the Gospel but there were plenty of other religions that preached another gospel.
- God gave us the opportunity to **give the Gospel to many** and as we were doing this they were asking us about the location of our church.
  - With a bittersweet answer we told them that our church was in another town.
- There is a **great need for Gospel preaching churches** in Colombia.
  - Help us **pray for more laborers** and also for God to help us start more churches in more places.

DIFFERENT KIND OF DISCIPLESHIP:

- On a weekly basis we have been **studying the bible with different people online.**
  - These are people that we have met along the way that **do not live anywhere near our church nor anywhere near a Gospel preaching church.**
- It is not the way we prefer to do bible studies but it is the only way for now.
  - Every time we meet, we see their desire to learn and know more about our God.
    - This also gives us the desire to want to start a church where they are.
      - There is **much work to do** my brothers and sisters
- There are many people that are **waiting for one of us to go with the Word of God.**
